**2.50 (a)(1) Time and Method of Identification....**repeated failure to have an official form of identification on all dogs on the premises (class "A" dealer)

**3.1 (a) Housing Facilities, General....**repeated failure to maintain housing facilities in good repair so that they protect the animals from injury, contain the animals securely, and restrict other animals from entering

**3.1(c)(3) Housing Facilities, General....**repeated failure to spot-clean daily and sanitize once every two weeks

**3.9(b) Feeding....** repeated failure to use food receptacles that are made of durable material, that protect feed from rain and snow, and to take measures to ensure that there is no molding, deterioration, and caking of feed

**3.10 Watering....**repeated failure to keep water receptacles clean and sanitized

**3.11(a) Cleaning of Primary Enclosures....**repeated failure to remove excreta and food waste from primary enclosures daily, and from under primary enclosures as often as necessary to prevent an excessive accumulation of feces and food waste and reduce disease hazards, insects, pests and odors

The Animal and Plant Health Inspection Service (APHIS) created federal regulations to ensure the welfare of animals and help prevent the spread of animal and plant pests and diseases. Since violations of the regulations can have serious and costly impacts that are detrimental to the public interest, APHIS is providing you with an Official Warning for the violation(s) described above. Any further violation of these federal regulations may result in the assessment of a civil penalty, criminal prosecution, or other sanctions. If you have any questions concerning this Official Warning or violation(s), please contact the APHIS official listed in this notice.
