The Department of Agriculture has evidence that between October 4 and October 15, 2009, you or your organization committed the following violation of Federal Regulations:

9 C.F.R. § 2.30(a) Registration. Respondent failed to register as a research facility with the United States Department of Agriculture. Respondent demonstrated intent to use live cats in research, tests, or experiments without being registered as a research facility under the Animal Welfare Act (7 U.S.C. § 2131 *et seq.*).

Titles 7 & 9 Code of Federal Regulations were promulgated to help prevent the spread of animal and plant pests and diseases and assure the humane treatment of animals. Since the violations of the regulations can have serious and costly impact detrimental to the public interest, you are warned of this violation. Any further violation of these regulations may result in the assessment of a civil penalty or criminal prosecution. If you have any questions concerning this warning or violation, please contact the listed APHIS official.
