The Department of Agriculture has evidence that on or about **October 2, 2009 - January 27, 2009** you or your organization committed the following violation of Federal Regulations:

9 CFR, SECTION

Failure to

2.40 (b)(3)

- Observe animals daily to assess their health and well-being. (There are dogs with large mats that need to be groomed. Several other dogs have been groomed but their feet have excessive mats that need to be removed. One dog appears to have a cyst between the toes.)

3.6 (a)(1)

- Design and construct a structurally sound primary enclosure of suitable materials, and maintain the enclosure in good repair. (One whelping box has wood chewed in several areas that have sharp edges.)

Titles 7 & 9 Code of Federal Regulations were promulgated to help prevent the spread of animal and plant pests and diseases and assure the humane treatment of animals. Since violations of the regulations can have serious and costly impact detrimental to the public interest, you are warned of this violation. Any further violation of these regulations may result in the assessment of a civil penalty or criminal prosecution. If you have any questions concerning this warning or violation, please contact the listed APHIS Official.
