OFFICIAL WARNING

Re: Reference number TN120042-C

Dear Sir or Madam:

We believe that you violated the Horse Protection Act (15 U.S.C. § 1821 et seq.) (HPA), as described in the attached Official Warning. Our agency, the Animal and Plant Health Inspection Service (APHIS), is responsible for enforcing the HPA, and other agriculture laws that help prevent the spread of animal and plant pests and diseases, and ensure the welfare of animals.

After providing you with an opportunity for a hearing, we may impose civil penalties of up to \$2,200, or other sanctions, for each violation described in this Official Warning. Although we generally pursue penalties for this type of violation(s), we have decided not to pursue penalties in this instance so long as you comply, in the future, with laws that APHIS enforces.

What happens if I do not comply in the future?

If you violate laws that APHIS enforces in the future, we may pursue criminal penalties, or we may pursue civil penalties for the violations described in this Official Warning, in addition to any penalties we may pursue for any future violations.

What should I do if I have questions?

If you have any questions concerning this Official Warning, contact Edmund Grant at (301) 851-2752 or call our main office number at (301) 851-2948.

Sincerely,
