The U.S. Department of Agriculture has evidence that on or about April 28, 2011, you or your organization committed the following violation(s) of Federal Regulations 9 CFR, Section:

**3.125(a) Facilities, General...** repeated failure to construct and maintain facilities in such a manner as to protect animals from injury and to contain the animals.

The Animal and Plant Health Inspection Service (APHIS) created federal regulations to ensure the welfare of animals and help prevent the spread of animal and plant pests and diseases. Since violations of the regulations can have serious and costly impacts that are detrimental to the public interest, APHIS is providing you with an Official Warning for the violation(s) described above. Any further violation of these federal regulations may result in the assessment of a civil penalty, criminal prosecution, or other sanctions. If you have any questions concerning this Official Warning or violation(s), please contact the APHIS official listed in this notice.
